# Company Summary

**Photography and Videography is our passion. Your imagination is our intuition. Your desire is our visualization.**

Studio51 is a Media Production Company founded in 2007. We focus our lens to magnify your imagination. We understand that satisfaction of our client is not just an image; it is on a photograph that speaks.

In Studio51, we create visuals to reach the hearts. Our story is to lead towards positive photography and we are delighted about your interest in our photography.

Reflecting on client's desire through photography is our identity.

## Our Story

We are one of Sri Lanka's most creative multimedia production companies with a passion for what we shoot and a distinct style highlighted by our ability to perform complex lighting on location and in the studio. We provide specialized wedding, fashion, commercial, and food photography services since 2007. Studio51 worked with clients across the globe for many years to provide high-quality photographic image assets for use in both our client's marketing and advertising campaigns. We continuously strive to stand by our promise and deliver creative and unique multimedia projects across Sri Lanka.

# Our CEO

## Sajis Rashan De Silva

Sajis founded Studio51 in 2007 after working with a diverse range of clients and creative agencies in London, Qatar, and Sri Lanka. With over 20 years of experience in brand identity and photography, he is able to deliver considered creative projects that are underpinned by strategic thinking. Sajis is driven by pushing boundaries and challenging convention.

# Our Team

Our success formula combines internationally experienced, creatives and strategic thinkers with deep knowledge of local culture.

# Our Strength

We work with clients from all over the world to create amazing results.

# Core Values
